Assembly Hall Opened

The Minister for Education, Mr. E. Wetherell, opened the Connells Point Public School assembly hall on Saturday last.

The opening of the assembly hall was the culmination of a year's activity by the P. and C. Association, the Infants' Club and a building committee.

At the opening ceremony addresses were given by the Mayor of Kogarah, Ald. K. Dalgleish, and Mr. D. D. Cross, M.L.A.

A musical program was given by the Infants' School Choir and the Primary School Choir.

The hall was built under subsidy from the Department, after representations had been made by a building committee elected at a public meeting in November, 1959. The fund to raise a minimum of £3000 was opened in February, 1960, and had been oversubscribed by the end of 1960.
