MINISTER OPENS ASSEMBLY HALL

The Minister for Education (Mr. Wetherell) will open the new assembly hall at Connells Point School at 2.30 p.m. on Saturday next.

Local residents contributed more than £3,000 of the £12,000 building cost of the hall.

The Education Department subsidised the work following representations made by a building committee elected at a public meeting in November, 1959.

The department has also provided seating for the hall, and curtains, planned by a consultant from the Elizabethan Theatre Trust, were made by Turner Bros., Kogarah drapers.
