The CPPS P&C welcome applications from students and will endeavour to ensure that every possible effort is made to facilitate and encourage their access to, participation, and success in their PSSA or Performing Arts state, or higher, representative team activity.

PSSA and Performing Arts Fund for Students with Financial Hardship

The CPPS P&C funding is intended to assist, by providing monetary support, to students who require additional financial assistance to enable them to fully benefit from state, or higher level, PSSA or Performing Arts competition.

This funding applies to any student who has been successful in being selected to play for the PSSA or a Performing Arts program at state, or higher, level. Funding is provided on the grounds the sport is being conducted under the auspices of the NSW PSSA or a DET performing arts.

Financial support awarded to the student by the CPPS P&C will be up to 50% of the total cost with a maximum payment of $150.00 per child per annum to be utilised directly for participation in their selected activity.

To obtain financial assistance, please make an appointment with our school Principal. The Principal, at her discretion, will then hand the application onto the CPPS P&C President. All applications will be treated in the strictest confidence.
