Dear Parent/Caregiver,

Students in 5/6G, 6B and 6C will be participating in a program called “Hatch and Grow” between Monday 12 September and Friday 23 September.

This program will compliment the Child Protection program currently being taught. The aim of the program is to encourage responsibility and ownership of the ducklings by each group. During this time the students will be able to view the ducklings hatch in the incubator and then will feed them, clean their area, weigh them and play with them each day. This is a fantastic opportunity for the students to be involved in and will provide them with enjoyment for the two weeks.

The cost of the program is $5 per child. Please return $5 to school by Friday 16 September.

Mrs K Fowler
Relieving Principal
