Dear Parents/Guardians,

Just a reminder that the Year 4 choir children have an all day rehearsal at Sutherland Entertainment Centre on Thursday 11 August. The children will be travelling by bus, which has already been paid for. The bus will depart at 8:30am so please have your child at school, sitting on the silver seats, by 8:20am to allow for names to be marked off.

The choir children need to wear their SUMMER uniform, with a jacket to wear off-stage. It gets very hot on stage with the lights shining, so summer uniform is necessary. The children need to bring their food and drink in a small bag, such as their library bag.

The matinee performance, which is also the dress rehearsal, commences at 12:15pm and there are usually many seats available if parents would like to attend. The tickets cost $6 for adults and $2 for children.

The evening performance commences at 7:00pm and the children need to be there at 6:30pm to allow time to put nearly 400 children on stage. Again, the children are to wear their summer uniform. I’m sure you’ll enjoy the performance! Children must be collected promptly at the end of the concert.
