Dear Parents and Carers,

This term, Kindergarten students have begun using SpellingCity.com in our classrooms. SpellingCity is a website that helps students learn their sight words and weekly spelling words while having fun at the same time.

We will be placing the weekly spelling lists on SpellingCity and your child can review the words and play spelling games with their words to reinforce the learning process.

Here’s how to help your child master his or her spelling words:

Simply go to the Connells Point school website - www.connellspt-p.schools.nsw.edu.au
Click ‘Weblinks’
Click ‘Literacy’
Click ‘SpellingCity’
Click ‘Effie Doulos’
Then try the Teach Me, Test Me or Play a Game link.

Many children enjoy building their spelling skills with ‘SpellingCity’. Let’s work together, as a team, to ensure that your child becomes an independent, lifelong learner.
