CROSS COUNTRY YEAR 2

16 May 2011

Dear Parents/Guardians,

Any students in Year 2, turning eight this year, and have demonstrated talent in distance running (eg. Little Athletics training) and who wish to participate in the school cross country, are asked to complete a permission slip. This can be obtained from the school website or the school office.

As this is a Year 3 -6 event Year 2 students attending the cross country need to be accompanied by a responsible adult and are required to provide their own transport to and from Poulton Park.
