9 March 2011

Dear Parents/Guardians,

The PixiFoto Photography team will be taking class, individual and family portraits on Monday March 28.

Students should wear full summer uniform, including correct socks, shoes and hairstyles appropriate for school photos.

Please complete the PixiFoto envelope and bring it in on photo day with the correct money or cheque made payable to PixiFoto Photography. All students must have their own envelope on the day.

Family portraits will be taken at lunch time. Please let your children know if you wish them to have a family photo taken. Envelopes for family photos are available from the school office.
