This Saturday will be our biennial Spring Fair. Our P&C organising committee, under the leadership of Kathy Olney, has done an exceptional job in bringing together the school and local community for this wonderful event.

As you will have seen in their regular weekly updates in the Newsletter, there will be so much to see and do on Saturday. There will be market and food stalls, carnival rides, fun activities for all ages, entertainment, a petting zoo, raffles and silent auctions and much, much more. We will also be selling surplus school furniture, which could be handy at home for extra storage, work and play spaces, seating etc. In this Newsletter, you will see lots of information about what will be happening on the day.

All of this planning, coordination and months of hard work has been done with the aim of making the Spring Fete a major fundraiser for the school, and to bring our community together.

Schools rely heavily on the involvement of parents, carers and extended family members to create a sense of community and belonging. We have been blessed, over many years, to have a P&C committed to doing whatever it can to promote participation and involvement, and to raise funds so that we can ensure our students have the very best learning experiences, resources and facilities that we can provide.

I hope the weather gods smile on us on Saturday, as a thank you to the organising committee for all their hard work! Irrespective of the weather, however, the day will be a success if our whole school community comes along and supports it.

Please spread the word to family, friends, neighbours, sports teams and work mates and encourage them to come along.

The fete will be open to the public at 10.00 a.m. through our regular pedestrian gates and run until 4.00 p.m., rain or shine.

Many thanks to the local businesses who have supported our fete as sponsors or through the donation of goods and services. We thank them for their interest in our school and their commitment to the Connells Point Public School community.

And a very big thank you to the many, many parents who will be working to set up the fete, manage the stalls and clean up at the end of a long day.

On behalf of the staff and students, I thank our P&C and school community for working towards making our fete a great success.

See you all on Saturday!

### Value of the Week

Next week’s value is **Cooperation**, with special attention to **being considerate of the needs of others**.

Before learning to show consideration of others’ needs, our children first have to be aware that others have needs which may not be the same as theirs, or which may be just as important as their own. Awareness of others depends on noticing them and thinking about them. When we are wrapped up in our own thoughts, or thinking about ourselves and what we want or need, we can be oblivious to those around us. Being observant and watchful; anticipating and predicting; being mindful and thoughtful; all skills and attitudes that allow us to monitor who is around us, how they are feeling, and how our behaviour and actions are affecting them.

Cooperation requires us to understand our role when interacting with others, and being willing and able to adjust our behaviours so that we can work or play happily as a member of a group.
Fundraising Calendar

It's calendar time again!

Last year, support of your child's calendar, made this fundraiser a great success.

In class, Years K to 3 will be creating their own artwork to decorate their calendar. The calendar is then assembled and can be purchased at the cost of $12 each. You can order as many calendars as you wish.

Order forms will be sent home with your child.

Money and completed order form are due at school by

Thursday, 22nd September.

Completed calendars will be sent back to school by the end of October.

Thank you for your support of this fundraising event for our school.
