Playing sport is a great way for children to develop many skills that will serve them well in other areas of life. Apart from developing fitness and coordination and providing enjoyment, team sports provide valuable lessons in cooperation, following rules, accepting the umpire’s or referee’s decisions and accepting both winning and losing with grace and good sportsmanship.

Certainly, the sports in which our PSSA teams compete have sportsmanship as a key component. Our coaches teach our children that poor sportsmanship has no place — on or off the playing field — and that we prize team spirit, fairness, effort and improvement above winning. If winning happens alongside these more significant values and attitudes, then that’s a bonus!

Often, the examples our children see in professional sport are not the role models we would wish them to have. Players disputing line calls, arguing with the ref, or showing violent outbursts of disappointment and aggression are all too prevalent. Professional coaches and managers can also provide poor examples of how to deal with disappointment, anger or frustration.

On the other hand, school sport is very much about teaching values. PSSA sport is run by teachers for children. Often in schools, teachers offer to coach a sport because no one else wants to do it, or because the other staff are already carrying a large additional work load. In many schools, younger, less experienced teachers volunteer as sport coaches and bring great enthusiasm to their roles. Sometimes they are learning as they go, and may not necessarily have experience or expertise in the game they are assigned.

Connells Point Public School has a long and proud tradition of success in sporting events. We encourage, and wish to model for our children, the values we believe are more important than winning. We encourage any and all parents who attend sporting fixtures to be supportive of all referees and coaches, and the efforts of all players on all teams.

To assist coaches and supervising teachers to manage their groups safely at sporting venues, it is our policy that children travel to and from venues with their teams. If it is essential, due to an extenuating circumstance, that children need to be collected; written permission signed by the principal must be obtained prior to attending the venue to collect your child/children.

Our personal value of the coming week is **Responsibility**, with emphasis on **demonstrating self-discipline**.

The key word here is “self”. One of the ways we know, as parents and teachers, that children are maturing and developing the right attitudes is that they behave appropriately because it is the right thing to do, not because someone is watching or because they might get into trouble. When they have internal controls, they need fewer external controls.

All of our work around values is about creating beliefs and practices that are part of the child; that guide their decision-making and inform their view of themselves and others. **Self-discipline** means that a child will act with restraint, consciousness and control, irrespective of whether or not authority figures are present. It also means that children are less likely to follow others into poor or unacceptable behaviour, because they have the internal decision-making that guides their actions. Children need practice in regulating their own behaviour, and awareness of the trust that we as adults place in them to behave well, even when we are not immediately present.

AFTERNOON DISMISSAL

In the interests of student’s education it is requested that parents picking up children in the afternoon please wait in the playground, not on verandahs or near class doorways until students are dismissed at 3.25pm. Thank you.

BAND CANCELLATION

As a result of the planned Industrial Action on Thursday 8 September, Please be advised ALL rehearsals and tutorials are cancelled for this date.

STAFF CARPARK

I have recently noticed a number of families exiting the school through the carpark. There have also been a couple of instances where parents have driven into the staff carpark to park in the afternoon. Please remember that the staff carpark is a ‘NO PEDESTRIAN ACCESS AREA’ and is not a public carpark. The footpath next to the library is where everyone should be exiting onto Connells Point Road. For reasons of utmost safety it is imperative that students do not enter the teachers’ carpark. We would appreciate if you use the safe way to exit the school each morning and afternoon.

CHANGE OF DATE

We have just been informed that there will be a 24hr Stop Work Industrial Action rally in the Domain on 8 September which involves teachers’ in our school.

Due to the large crowd expected and our concerns for the safety of the children, the Art Gallery of New South Wales has kindly agreed to change the date of Stage One’s excursion to Thursday, 15 September. Please note this change on your calendar.

CPPS K-2 ATHLETICS CARNIVAL

Parents are invited to attend the K-2 Sports Carnival.

Date: Friday, 9 September, 2011
Time: 10.00am-1.20pm
Venue: CPPS Oval
Events: Relays, bean bag/ball games, races including age races and skipping

Please note: Children are to wear school sports uniform including hats and joggers.

Children may sit with parents during recess but must sit and remain in class groups during events.
**SCHOOL ZONE FLASHING LIGHTS**

The school has been informed by the RTA that we will be part of the next roll out of school zone flashing lights. This roll out is set to be completed by the end of November 2011. We welcome any initiative that improves the safety of our school community. The RTA will send the school a fact sheet providing further information once the lights have been installed.
