Children are required to wear their sports uniform, as a district singlet will be supplied by the school. This can be worn either over their existing uniform, or on its own. All singlets must be washed and returned as quickly as possible. Travel to these carnivals will be by bus.

There will be a canteen at both carnivals but we recommend that children provide their own healthy morning tea, lunch and bring plenty of water.

Parents are welcome to attend the carnivals but an admission fee of $3 will be required at The Crest, Bass Hill; entry to Olds Park is free.

A charge of $15 is required to cover buses and entry but if your child is attending both carnivals, they only have to pay once.

Children can only be taken from the venue by parents if approval is sought in writing no later than the day before the carnival. Children must also be signed out by the supervising teacher at time of leaving.

Please enclose the permission slip below, ensuring that you tick which carnival/s your child is attending and enclose your money. This is to be returned to your child’s class teacher NO LATER than Monday 16 August.
