July 22nd, 2010

Dear Parents /Carers

**Senior Band PORTFEST Performance Sunday August 1st, 2010.**

PortFest is an extravaganza of musical performances which showcases the musical and artistic talents of students in and around the Sutherland Shire. As a school we have elected to give the opportunity for our Senior Band to take part in the PortFest 2010 band section.

As the Connells Point performance is on at 10:00 am, students in the Concert Band will need to be at the Port Hacking High School Information Booth, near the Auditorium by 9:20am, at the very latest. (Parents to arrange transport) They will be met by Mrs Green and taken into the Auditorium where Mr Skues will call them forward in time for their performance. It is envisaged the students will have completed their performance by 10:45am. Parents will need to be available to collect their children at that time.

Entry to this event is by means of a gold coin donation and through the gates near the Auditorium at the Kingsway, and Wandella Road traffic lights. Parking for this event is along the Kingsway and in the Miranda Public School, opposite the Port Hacking High School. Any parent wishing to gain more details can access information on the site at [www.portfest.com.au](http://www.portfest.com.au)

Students are required to wear their band uniform and bring with them their instruments and music. Stands and percussion instruments will be provided.

It is imagined this will be a wonderful opportunity for the students to showcase their own talents and to witness the skills presented at high school levels in our local area.

Mrs Hendrika Green

Band Co-ordinator
