HURSTVILLE ZONE MUSIC FESTIVAL TICKET REQUEST

9 June 2010

Dear Parents/Guardians,

Senior Girls Selective Dance

The above group will be performing at the Hurstville Zone Music Festival on Tuesday, 10 August 2010 at the Sutherland Entertainment Centre.

Tickets for the evening performance (cost $12) need to be ordered now. Schools are allocated 1.5 tickets per performer. Therefore, you are only guaranteed 1 ticket per performer. Extra tickets will be issued when and if they become available. (Performers do not need a ticket as they remain on stage or back stage all evening. Young children require a ticket unless they sit on your lap the entire performance.) Your child needs to be brought to the performance and picked up at the end if you are not attending.

An alternative possibility to allow other family members to see your child perform is to attend the matinee performance on Tuesday, 10 August at 12:15 pm. This is a dress rehearsal. Tickets cost $6 for adults and $2 for children and may also be pre-ordered. Generally, there are plenty of tickets available at the door.

The ticket request form is set out below. If you only want one ticket, please send $12 back with your ticket request form. If you don't want any tickets, please send this form back so that we may sell your ticket to someone else. If you would like more than one ticket, please indicate below. Extra tickets will be issued if and when they become available. If you are requesting more than one ticket, please don't send any money yet.
