Dear Parent/Guardian,

On Friday afternoons the children in Years 3-6 participate in sport. Children not in a PSSA team have a choice of sports activities. The 10 week sports term will commence on Friday February 19. The choices are as follows:

* **School sport – no cost.** The children participate in activities which teach and improve the skills which are needed for major games.

* **Boot camp** – at school, with a personal trainer. Bootcamp is a series of cardio-vascular activities which improve agility and strength. Cost is $5 per week, $50 for the term of 10 weeks.

* **Futsal** – played at Club Hurstville Sports on Greenacre Rd – children walk there accompanied by a teacher. Futsal is 5 a-side soccer, fast paced and high scoring; the children are on the field for 10 minute sessions. Futsal is run by St George Futsal. Cost is $6 per week, $60 for a term of 10 weeks.

* **Dance** – taught at school by a professional dance teacher - $5 per week, $50 for a term of 10 weeks. **Stage 2 will be given preference this term; Stage 3 next term.**

Please return your child’s request form below by Monday 15 February so that numbers can be confirmed and organisational lists prepared. **Children should only number preferences which they are prepared to do.** Don’t send any money yet; when your child is told which sport they will be doing, I will request the money.

Mrs G. Anderson
Leisure Sports

---

Dear Mrs Anderson,
