Dear Parent/Guardian

Year 6 students will have the opportunity to attend a NSW Sport & Recreation Camp towards the end of the year. We are now asking for expressions of interest, so that a tentative booking can be lodged. The camp will only proceed if minimum numbers are met. Students need to be aware that appropriate behavioural standards must be met throughout the year, to be eligible to attend the camp.

Attendance at school camp has the power to transform student's attitude & self-esteem, in a very short space of time. Camp provides opportunities for students to live in shared accommodation, develop social skills and independence, challenge themselves and enjoy the benefits of an active lifestyle.

The traditional camp experience enables students to participate in a wide range of fun and challenging outdoor activities such as kayaking, canoeing, raft building, rock climbing, bush walking and archery.
