Dear Parents and Carers,

Band students have been working hard, enjoying learning their new pieces during Term 1. Their tutors and teachers are so pleased with their progress that they would love to invite you to the final tutorial for the term.

This is a workshop, not performance occasion, during which time you are invited to listen to the group and gain some tips on following through with home practice.

**When:** Term 1, Week 11, (7-11 April) normal tutorial time

**Where:** normal tutorial place

We hope you will be able to join your children on this occasion.
