27 March 2014

Dear Parents and Carers,

Making Easter Hats for the Easter Hat Parade

Teachers have been considering further opportunities for our Year 6 and Kindergarten buddies to work together. We have also discussed opportunities for our Year 4 and 5 students to start developing appropriate skills to help when they become buddies in the future.

It has been decided that this year we will have buddies working together to decorate the K-2 children’s hats for the Easter Hat Parade. Kindergarten will make hats with their Year 6 buddies, Year 1 will work with Year 5 and Year 2 will work with Year 4 students. Together they will come up with some amazing creations.

To make the Easter hats, K-2 students are asked to supply the things necessary for decorating their hats. We ask that parents send in items in week 10 (week beginning 31 March). These materials should be sent to school in a labelled shopping bag.

Suggestions of items, many of which can be found in reject or bargain shops:
A hat—a cap, a straw hat or a hat already made from cardboard.
Craft glue, blu tac etc
Ribbons and string
Easter pictures/cards that can be cut out
Plastic/fake eggs (NO CHOCOLATE EGGS)
Soft bunnies

Hat making workshops will take place in Week 11. The Easter Hat Parade is on Friday 11 April.
