Year 6 Bathurst Excursion – 2013
Expression of Interest

27 March 2013

Dear Parents and Carers,

We are currently planning an excursion for Year 6 students to Bathurst, to take place towards the end of the year. This excursion is part of the Term 4 Human Society and Its Environment study of the historical expansion of NSW due to the discovery of gold in the area.

As you can appreciate, an excursion of this type needs detailed planning. It is also unavoidably expensive, due to transport costs, accommodation, meals and providing the maximum number of quality experiences for the students in the time available. We are asking for expressions of interest, to gauge whether there is sufficient interest to proceed with a booking. The camp will only proceed if minimum numbers are met.

As currently planned, the three day Bathurst excursion would involve staying overnight for two nights. The proposed itinerary is comprehensive and incorporates many tours and visits to significant places in the area. This includes the Bathurst goldfields and the Bathurst Sheep and Cattle Drome, a power station, Scenic World, Jenolan Caves and viewing time in Katoomba.

The approximate cost would be $350.00. This includes coach transport, entry to all attractions, accommodation and meals.

To assist us in the necessary organisation for this excursion, please complete the form below and indicate your interest by ticking the most appropriate response. Please return the completed form by Tuesday 2 April.

Mrs Anne Hewson         Mrs Kylie Fowler
Principal          Assistant Principal
