Dear Parents and Carers,

Connells Point Public School will be celebrating NAIDOC this year with a visit from The ‘Maluerindi Clan’. The performers come from the Daingattie tribe in North Western New South Wales. The group of highly trained and experienced performers will work with the students using a ‘hands-on’ approach. Students will participate in workshops involving Art, Dance, Didgeridoo and Storytelling. Students in K-2 will be timetabled in the morning session with Yrs 3-6 between recess and lunch. A whole group performance will be held in the afternoon. The cost of the performance is $7.

Please return note and money to your class teacher by Friday 12 September.
