15 May 2013

Dear CPPS Parents and Carers,

The P&C Building Fund is a special tax deductible fund which is to be used only on building projects at our school. In the 2013 Building Fund drive, we are attempting to raise funds to modernise the school canteen to bring it up to contemporary standards and to improve the canteen service that we provide to the children on a daily basis.

So, to help us help our school, we are asking for donations into our P&C Building Fund. If you would like to contribute, you can do so in one of two ways:

1. Complete the attached form and forward it with your donation to the school office as soon as possible.

2. You can make a donation directly into the P&C Building Fund account. Please use your name as a reference and also send an email to kolney@caltex.com.au to confirm the deposit is a donation. You will still need to complete the attached form and forward it to the school office.

The P&C Building fund account details are:

Account Name – Connells Point Public School Building Fund

BSB – 062253

Account Number – 10031280

All donations great or small are received with gratitude.

ALL DONATIONS TO THE CPPS BUILDING FUND ARE TAX DEDUCTIBLE. Everyone who donates more than $2.00 will receive a receipt which can then be claimed as a tax deduction.

Thank you very much for your support.

Kathy Olney
CPPS P&C President
CPPS P&C 2013 Building Drive

Child(ren)'s Name/s___________________________________________________________________
___________________________________________________________________

Child(ren)'s Class(es)_______________________________

Yes I would like to make a donation to the CPPS P&C Building Fund

Amount ($) _____________________________________________________

Payment: Cash/Cheque/Direct deposit to Building Fund account

Receipts will be returned to your child's class. If you would like your receipt posted to you instead, please list a postal address here:
