PERFORMING ARTS SHOWCASE DVD

18 November 2013

Dear Parents and Carers,

Connells Point Public School has engaged the services of a videographer (www.schoolmemoriescaptured.com.au), to capture your child’s performance in the 2013 Performing Arts Showcase. There is no better way than a DVD video to assist in preserving your memories of this milestone.

The ‘School Memories Captured’ production company will be providing two highly trained videographers. This will enable them to capture several camera angles and ensure that the images and sound will be of a superior quality.

As has always been the case, by order of the Sutherland Shire Entertainment Centre, no personal recordings of the Showcase are permitted.

The Showcase DVD will be available for purchase at $22 per unit, and must be ordered and paid for before 29 November. Orders received after 29 November will cost $35.00 due to extra processing fees. Please ensure the exact money is placed in the envelope provided and returned to school as soon as possible.

This is a service we make available for our school community. Whilst we give a brief to the company, they are responsible for the final product, not the school.
