Dear Parents and Carers,

Government schools use a range of strategies to meet the educational needs of gifted and talented students. One strategy is selective high school placement which provides intellectual stimulation and an educationally enriched environment for gifted and talented students.

Offers for selective high school placement will be made on the basis of the Selective High School Placement Test results and school assessment. The Selective High School Placement Test will be held on Thursday 13 March 2014.

If you would like your child to apply for selective high school placement in Year 7 in 2015, you need to do so soon.

You may either:

1. Apply on the internet and submit your application online. You will need to have an email address (not the student's email address), access to the internet and a printer. Online applications close 18 November 2013.
   Detailed instructions on how to apply online will be available from 15 October 2013 at: www.schools.nsw.edu.au/shsplacement.

   or

2. If you do not have internet access, complete a commercially printed application form. These will be available from the school on 22 October 2013. They must be completed and returned to school by 18 November 2013.

The applications will be processed by the school in exactly the same way whether you apply online or submit a commercially printed form. Parents are to submit only ONE application form for each student.
