Year 6 Camp – Digital Cameras

6 November 2013

Dear Parents and Carers,

We understand that some students may like to bring a digital camera to camp with them. Students may bring an inexpensive digital camera with them to camp, if they have completed and signed the permission slip below by the specified date.

All cameras MUST be labelled with the child’s name. At the end of each day’s activities, all cameras will be collected by the teachers and stored for the evening. They will then be handed out the next morning so students can take photos of that day’s activities.

Please be advised that the teachers will have cameras and be taking photos of the students throughout their time at camp. These photos will be available on a USB, which can be purchased at the end of the year.

Please complete and return the permission slip below by Thursday, 14 November.
