4SB Class Arrangements

6 February 2012

Dear Parents and Carers

Your child has been selected for placement in 4SB for 2012. This class will be taught jointly for the year by two of our experienced members of staff, Mrs Alison Scotti and Mrs Linda Batman.

Mrs Scotti will be with the class on Monday, Tuesday and Wednesday each week, and Mrs Batman will be with them on Thursday and Friday.

Mrs Scotti and Mrs Batman share a strong commitment to teaching and to ensuring that the students of 4SB have a successful and enjoyable year. They each bring respective strengths and expertise to the classroom, which will see your child benefiting from their combined talents. They have each previously taught in similar shared arrangements at our school, and are very accustomed and committed to working in partnership this way.

Mrs Scotti and Mrs Batman are in constant communication and will be planning collaboratively and cooperatively with each other and the rest of the Stage 2 teachers. They have clear and effective plans in place to ensure that the children of 4SB are presented with a consistent, challenging and appropriate teaching and learning program. Both the teachers will attend the Class Information Evening this week, and will present in more detail their plans for your child’s education this year.

I have every confidence that this structure will be one which works to the advantage of the students in 4SB. This shared teaching arrangement is very common in many schools, and has been used with great success at Connells Point Public School in previous years.

Mrs Anne Hewson
Principal
