Dear Parents and Carers

Your child has been selected for placement in KC for 2012. This class will be taught jointly for the year by two of our highly experienced members of staff, Mrs Joanne Crouch and Mrs Jenni Jessup.

Mrs Crouch will be with the class on Monday, Tuesday, Wednesday and Thursday each week, and Mrs Jessup will be with them on Friday.

Mrs Couch and Mrs Jessup are in constant communication and will be planning collaboratively and cooperatively with each other and the rest of the Kindergarten (Early Stage 1) teachers. They have clear and effective plans in place to ensure that the children of KC are presented with a consistent, challenging and appropriate teaching and learning program.

I have every confidence that this structure will be one which works to the advantage of the students in KC. This shared teaching arrangement is very common in many schools, and has been used with great success at Connells Point Public School in previous years.

Mrs Anne Hewson
Principal
